

General Information

Good Morning,

Attached is the registration for the 2024 NMSWGA .

The board met Monday, January 15, 2024 to discuss dates and courses we plan to play this year. Those dates and courses are listed on the registration form.

The board sent out a survey to help us to make decisions as to what courses you would be interested in playing, along with how much money you would be willing to pay. As you know, costs keep going up for everything. The money you send for membership is used to offset the costs for each tournament, which includes golf, cart, lunch, and prizes. Not all courses are willing to work with us and give us reasonable rates.

The survey also asked if you would be willing to help the board if the tournament is held at your local course. So, don't be surprised if we ask for your help with check-ins, working with your pro, or other general requirements that are necessary to put a tournament together.

It was mentioned at the meeting that if you were a member last year, you would just need to send your money via check or VENMO and put in the comment line what the payment is for, such as registration or the tournament you are going to play. If anything has changed for you, such as address, phone, home course, please complete the registration form and mail the form to the address listed. Or if you feel comfortable, just email your information change to the treasurer or the NMSWGA email addresses.

We hope that you all had a wonderful Holiday, and we are looking forward to seeing you all out on the course.

Thank you for your continued support for this organization.
